

Research Assistants

Job Description

The Center for Human Services Research, University at Albany is seeking Research Assistants to assist with a number of research projects for New York State and local initiatives. Responsibilities include conducting literature reviews, designing measures, interviewing providers and local employers, conducting telephone interviews, co-facilitating focus groups, analyzing data and preparing reports.

Hours

Hours will range from 20-40 hours per week during the summer (May – August 2017) and 20 hours per week during the fall (September – December 2017).

Minimum Qualifications

- 12 college credits from a college or university accredited by the USDOE
- Experience and/or course work in data collection, research methodology, or human services

Preferred Qualifications

- Bachelor's degree from a college or university accredited by a USDOE recognized accrediting organization in public health, social sciences, research, or similar field
- Enrolled in a graduate program in a field related to public health, social sciences, research or similar field

To apply: Email resume to Denise Carner at dcarner@albany.edu. Visit us at <http://www.albany.edu/chsr> for more information on the Center. Closing date for receipt of applications is open until filled. Positions are contingent upon funding.
