Rural Law Initiative Collaboration

The Center for Human Services Research (CHSR) contracted with the Government Law Center at Albany Law School in a project to understand the dearth of available legal services in rural areas. This project was part of a collaboration between the [Government Law Center's Rural Law Initiative](#) and [SUNY Cobleskill's Institute for Rural Vitality](#).

EVALUATION & RESEARCH

CHSR designed, dissemination, and analyzed a multi-mode survey of attorneys in rural New York to inform the current status of rural legal practice.
